FEED THE COUGARS PROGRAM

“Everything we do as a program starts with making sure our players are fed and taken care of. Our booster club does an incredible job providing our guys with the nutrition needed to compete. With your help we can make sure no player goes home hungry in 2024.”

~Coach Chip Walker

The Newnan High Football Team does not require players to pay a fee to play football. The school system does not cover all the extra expenses required to play football. Taxes do not cover these expenses. As a non-profit volunteer organization, we provide direct support for the players on the Newnan High School Football Team.
